*My beloved flag waves ever more  
in the last year's heights of the sky.  
Always and forever more in peace and tranquility,  
Hail your name, oh Hawai'i, my beloved motherland.*

*To you my nation  
Be bold and fearless,  
Stand as kānaka,  
And be steadfast in your place.*

*For the freedom of our land remains always in the truth  
of our people.*
